

The Alpha Difference

Accepting applications...

Online Job Boards

Candidates can have their resume available to hundreds of companies at once, not just yours.

The Alpha Difference

Our talented Recruiters have already taken the time to identify a pool of qualified candidates tailored to meet your company's needs.

The bottom line...

Online Job Boards

Paying for online job postings can be pricey, and some pay-per-click systems will charge you for all candidates who view your position – even if they do not apply.

The Alpha Difference

We'll advertise your job opening across a number of sources – **FREE OF CHARGE**. It's that simple.

Your time is valuable...

Online Job Boards

Sifting through resumes is time-consuming and tedious.

The Alpha Difference

All of the resumes you receive from The Alpha Group have been carefully hand-selected by our Recruiters, who have matched the qualifications, personality, and professional goals that will best fit your company culture.

Finding the right fit...

Online Job Boards

You cannot pre-screen candidates applying for your job – you will only be able to judge their skills.

The Alpha Difference

We know that personality and professionalism cannot be found on paper. Our goal is to find the perfect client / candidate match – **every time**.
